by Achille and Pier Giacomo Castiglioni, 1962

Mounting	Free Standing
Lamp (Bulb) Description	1 x 100W A-21 Medium Silvered Bulb Incandescent
Environment	Indoor - Dry Location
Dimming	Dimmable
Finish	Stainless steel
Technical and Product Description	Flos celebrates the sixtieth anniversary of the legendary Arco floor lamp with a limited edition exclusively available online.

Designed by Achille and Pier Giacomo Castiglioni in 1962, the same year that Flos itself was founded, Arco holds a special place in homes and hearts all over the world.

The Arco K 2022 Limited Edition revisits the iconic floor lamp that revolutionized the design world.

The new K9 crystal base supports a spun aluminum reflector via a curved stainless steel adjustable stem, allowing the lamp to offer both direct and indirect light. The height extends to almost 7-feet, allowing for easy placement of a couch or table underneath.

### INSPIRATION BEHIND THE DESIGN

The Castiglioni brothers drew their inspiration for the Arco lamp from something they saw every day: a streetlight. Using commercially available parts, they set out to design a piece that was technically innovative and visually appealing—a lamp that was functional but wouldn't need to be stepped around. They finished it with a marble base, knowing that the same weight would take up less space, allowing the Arco to live in—not take over—the room it illuminated.

### Electrical

Voltage	120
Switching	Foot switch on power cord
IP Rating	IP20

### Physical

Cord Length (inches)	106" - Black
Construction Material	Aluminum, Crystal, Stainless steel

FU030400 Stainless steel

### Dimensional Image

### Certifications
