DRAGONFLY

by Boone Speed

Flavor Paper took a field trip by canoe through a swamp north of New Orleans to shoot some photographs with Boone Speed. Alligators, owls and mosquitoes were definitely out in force, but it was this quick snap of a glorious moment when a dragonfly happened to buzz by that really won us over and became a wallpaper.

The image is a non-repeating mural and is scaled and cropped based on the provided wall dimensions.

## **GROUND MENU**

### **TYPE I ECO SMOOTH MATTE**
