## Drape Circle 28

CHANDELIER

The Drape Circle 28 Chandelier consists of 28 individual pendants gathered and supported by a series of tiered brass rings. Each pendant features a 4.5"/110mm diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through and are connected to the rings. The glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique. Cord lengths are field adjustable. Multiple compositions possible – drawing+dimension above represent only one recommended possibility.

UL listed suitable for dry and damp locations (US & Canada)

Sockets 120V G9 7W Max

LED bulbs included

Requires recessed electrical box for installation

Not recommended for sloped ceilings

Field assembly + composition during installation is standard – see installation instructions – SkLO will pre-assemble + compose fixture to specification on request (pre-assembled fixtures not field adjustable)

Standard cord length 120"/3050mm – field adjustable – longer lengths available at additional cost

Fixture weight (approximate): 180lbs/82kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
