Drape Linear 9

CHANDELIER

The Drape Linear 9 Chandelier consists of 9 individual pendants gathered into a straight line and supported by a flat brass bar. Each pendant features a 4.5"/110mm diameter sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The cords pass through and are affixed to the bar and are evenly spaced around its length. The glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique. Cord lengths are field adjustable.

UL listed suitable for dry and damp locations (US & Canada)

Sockets 120V G9 7W Max

LED bulbs included

Requires recessed electrical box for installation

Accommodates sloped ceilings

Standard cord length 72"/1800mm – field adjustable – longer lengths available at additional cost

Fixture weight (approximate): 27lbs/12kg

All glass dimensions are approximate – handblown glass dimensions vary by nature and intent

Made in the Czech Republic
