170B IZAR DINING TABLE WITH BRASS

By Anthony Guerree

Inspired by the binary star in the northern constellation of Boötes, Izar is a sculptural dining table crafted in solid timber with details in brushed brass. In an elegant encounter between two contrasting materials, Guerree expresses his artistry by playing with the volume under the tabletop, adding two asymmetrical legs that give a rhythm to the whole.

MATERIALS

TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

METAL

Brushed brass
