## Drape Arm 3

CHANDELIER

The Drape Arm 3 Chandelier consists of 3 individual pendants suspended from a 3-spoke brass armature suspended from a single canopy. Available in two different glass sizes, each individual pendant is a lit sphere of handblown Czech glass suspended on a fabric-wrapped electrical cord. The exposed cords leave the canopy and pass through the individual arms. The glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique.

UL listed suitable for dry and damp locations (US & Canada)
