Drape Composition 2

PENDANT

The Drape Composition 2 is a multi-pendant fixture with 3 pendants suspended from a single canopy. Each pendant is suspended on a fabric-wrapped electrical cord. The center pendant hangs straight down from the canopy and features a 7"/180mm diameter sphere of handblown glass. The outer pendants are swagged to ceiling hooks (included) – one features a smaller 4.5"/110mm diameter sphere of handblown glass and the other a 6"/150mm diameter ovoid of handblown glass. The glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique. Cord lengths are field adjustable.
